**FRIENDLY STAFF  
RELIABLE SERVICE**

Accessible Connections consists of highly trained and compassionate drivers who also serve as dedicated activity support workers, prioritising the well-being and comfort of their passengers.

They possess extensive knowledge of proper wheelchair securement techniques and are skilled in assisting passengers with boarding and disembarking the vehicle.

The drivers understand the unique needs of wheelchair users and strive to create a welcoming and accommodating environment throughout the entire transportation experience.

They prioritise punctuality and understand the importance of timely arrivals and departures.
